

Here is the final, high-end **Black & White (with Red Accents)** redesign. I have focused on a "Dynamic Monochrome" aesthetic where everything is sharp, high-contrast, and the only color other than B&W is Red. I have enhanced the text with more sophisticated, advanced details as requested. Replace your `index.html` with this code: ``html

EST. 2020 • STUDIO

MONOCHROME PERFECTION

We transcend color to capture the raw essence of
humanity, history, and art through charcoal, graphite, and
ink.
